<i>Employee and City contributions subject to change</i>					

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

iii. Employees shall not be entitled to the difference between the employer contribution and the premiums for insurance plan(s) selected by the employee.

iv. Future Premiums

The City "caps" its contributions toward monthly group medical, dental and vision plan premiums by category (EE, EE + 1, and EE + 2 or more) as outlined in sections i and ii above.

The employee and employer contributions rates set forth in sections ii and iii above shall remain in effect in 2009 and beyond unless otherwise modified by a successor Non-Associated Resolution.

The City's contribution caps will remain in place, even if premium increases result in these additional costs being borne by the employee.

3. Medical Cash Out

If an employee is covered by a medical program outside of a City-provided program (evidence of which must be supplied to Human Resources), they may elect to discontinue City medical coverage and receive one hundred forty-six dollars, (\$146.00) bi-weekly.

4. Section 125 Plan

Employees shall be eligible to participate in a City-approved Section 125 Flexible Spending Account Plan the same as all other eligible employees, as provided by IRS law. This plan allows employees to use pre-tax salary to pay for regular childcare, adult dependent care and/or medical expenses.

B. Life and Accidental Death and Dismemberment Insurance

Each Non-Associated employee shall be provided with \$50,000 life insurance and \$50,000 accidental death and dismemberment insurance paid for by the City. Each employee shall have the option, at his/her own expense, to purchase additional amounts of life insurance and accidental death and dismemberment insurance to the extent provided by the City's current providers. Evidence of insurability is contingent upon total participation in additional amounts.

C. Long-Term Disability Insurance

This program provides for each incident of illness or injury, a waiting period of thirty (30) calendar days during which the Non-Associated employee may use accumulated sick leave, general leave, executive leave pay. Subsequent to the thirty-(30) day waiting period, the employee will be covered by an insurance plan paid for by the City providing sixty-six and two-thirds percent (66 2/3%) of the first \$12,500 of the employee's basic monthly earnings up to a maximum monthly benefit of \$8,332.50. The maximum benefit period for disability due to injury or illness shall be to age sixty-five (65).

Days and months refer to calendar days and months. Benefits under the plan are integrated with sick leave, Worker's Compensation, Social Security and other non-private program benefits to which the employee may be entitled. Disability is defined as: *"The inability to perform all of the duties of regular occupation during two years and thereafter the inability to engage in any employment or occupation, for which he/she is fitted by reason of education, training or experience."* Rehabilitation benefits are provided in the event the individual, due to disability, must engage in other occupation. Survivor's benefits continue the plan payment for three (3) months beyond death. A copy of the plan is on file in the Human Resources Department.

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

D. City-Paid Physical Examinations

Non-Associated employees shall be provided, once every two years, with a City-paid physical examination comparable to the current pre-placement class physical examination or reimbursed the amount authorized for said physical examination. No more than one-half of the eligible employees shall receive examinations in any one fiscal year. Said exam shall be comprehensive in nature and shall include:

1. A complete medical history, physical exam and review of results by physician.
2. Health testing including vision, hearing, breathing, chest x-ray and stress EKG.
4. Laboratory test including standard chemical test, blood count, HDL, urinalysis and stool test for blood.

F. Retiree Medical Coverage for Retirees Not Eligible for the City Medical Retiree Subsidy Plan

Employees who retire from the City after January 1, 2004, and are granted a retirement allowance by the California Public Employees' Retirement System and are not eligible for the City's Retiree Subsidy Medical Plan may choose to participate in City-sponsored medical insurance plans until the first of the month in which they turn age sixty-five (65).

The retiree shall pay the full premium for City-sponsored medical insurance for themselves and/or qualified dependents without any City subsidy.

Employees who retire from the City and receive a retirement allowance from the California Public Employees' Retirement System and are not eligible for the City's Retiree Subsidy Medical Plan and choose not to participate in City-sponsored medical insurance upon retirement permanently lose eligibility for this insurance.

However, if a retiree who is not eligible for the City's Retiree Subsidy Medical Plan chooses not to participate in City-sponsored medical insurance plans because the retiree has access to other group medical insurance, and subsequently loses eligibility for that group medical insurance, the retiree and their qualified dependents will have access to City-sponsored medical insurance plans reinstated.

Eligibility for Retiree Medical Coverage terminates the first of the month in which the retiree or qualified dependent turns age sixty-five (65).

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

Upon termination for any other reason, employees shall be compensated at their then current rate of pay for fifty percent (50%) of all unused accumulated sick leave, up to a maximum of 720 hours of such accumulated sick leave.

- b. Non-Associated employees hired after November 20, 1978 shall be entitled to the following sick leave payoff plan:

Upon termination, all employees shall be paid, at their then current salary rate, for twenty-five percent (25%) of unused, earned sick leave to 480 hours accrued, and for thirty-five percent (35%) of all unused, earned sick leave in excess of 480 hours, but not to exceed 720 hours, except as provided in paragraph V.C.2.c below.

- d. Non-Associated employees who had unused, accumulated sick leave in excess of 720 hours as of July 5, 1980, shall be compensated for such excess sick leave remaining on termination under the formulas described in paragraphs V.C.5.a and b above. In no event shall any employee be compensated upon termination for any accumulated sick leave in excess of the "cap" established by this paragraph (i.e., 720 hours plus the amount over 720 hours existing on July 5, 1980). Employees may continue to utilize sick leave accrued after that date in excess of such "cap" on a "last in, first out" basis. To the extent that any such "capped" amount of excess sick leave over 720 hours is utilized, the maximum compensable amount shall be correspondingly reduced. (Example: Employee had 1,000 hours accumulated. Six months after July 5, 1980, employee had accumulated another 48 hours. Employee is then sick for 120 hours. Employee's maximum sick leave "cap" for compensation at termination is now reduced by 72 hours to 928.)

Such collection shall be processed by payroll deduction over a reasonable period of time considering the total amount of overpayment.

In the event the employee separates from employment during the collection period, the final amount shall be deducted from the last payroll check of the employee. If applicable, the balance due from the employee shall be communicated upon employment separation if the last payroll check does not sufficiently cover the amount due the City.

It shall be the responsibility of the employee and the City to periodically monitor the accuracy of compensation payments or reimbursements due to the possibility of a clerical oversight or error. The City reserves the right to also collect compensation overpayments caused by or the result of misinterpretation of a pay provision by non-authorized personnel. EXHIBIT 2 RETIREE MEDICAL PLAN

An employee who has retired from the City shall be entitled to participate in the City sponsored medical insurance plans and the City shall contribute toward monthly premiums for coverage in an amount as specified in accordance with this Plan, provided:

- A. At the time of retirement the employee has a minimum of ten (10) years of continuous full time City service or is granted an industrial disability retirement; and
- B. At the time of retirement, the employee is employed by the City; and
- C. Following official separation from the City, the employee is granted a retirement allowance by the California Public Employees' Retirement System.

The City's obligation to pay the monthly premium as indicated shall be modified downward or cease during the lifetime of the retiree upon the occurrence of any one of the following:

- 1. On the first of the month in which a retiree or dependent reaches age 65 or on the date the retiree or dependent can first apply and become eligible, automatically or voluntarily, for medical coverage under Medicare (whether or not such application is made) the City's obligation to pay monthly premiums may be adjusted downward or eliminated. Benefit coverage at age 65 under the City's medical plans shall be governed by applicable plan document.
- 2. In the event of the death of any employee, whether retired or not, the amount of the retiree medical insurance subsidy benefit which the deceased employee was receiving at the time of his/her death would be eligible to receive if he/she were retired at the time of death, shall be paid on behalf of the spouse or family for a period not to exceed twelve (12) months.

D. Schedule of Benefits

With the exception of an industrial disability retirement, eligibility for benefits begins after an employee has completed ten (10) years of continuous full time service with the City of Huntington Beach. Said service must be continuous unless prior service is reinstated at the time of his/her rehire in accordance with the City's Personnel Rules.

2. Disability Retirees

Industrial disability retirees with less than ten (10) years of service shall receive a maximum monthly payment toward the premium for health insurance of \$121. Payments shall be in accordance with the stipulations and conditions, which exist for all retirees. Payment shall not exceed dollar amount, which is equal to the full cost of premium for employee only.

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

3. Maximum Monthly Subsidy Payments

Payment amounts may be reduced each month as dependent eligibility ceases due to death, divorce or loss of dependent child status. However, the amount shall not be reduced if such reduction would cause insufficient funds needed to pay the full premium for the employee and the remaining dependents. In the event no reduction occurs and the remaining benefit premium is not sufficient to pay the premium amount for the employee and the eligible dependents, said needed excess premium amount shall be paid by the employee.

All retirees, including those retired as a result of disability whose number of years of service prior to retirement, exceeds ten (10) years of continuous full time service, shall be entitled to maximum monthly payment of premiums by the City for each year of completed City service as follows:

EXHIBIT 4 - VOLUNTARY CATASTROPHIC LEAVE DONATION

Guidelines

1. Purpose

The purpose of the voluntary catastrophic leave donation program is to bridge employees who have been approved leave time to either; return to work, long-term disability, or medical retirement. Permanent employees who accrue vacation, general leave or compensatory time may donate such leave to another permanent employee when a catastrophic illness or injury befalls that employee or because the employee is needed to care for a seriously ill family member. The leave-sharing Leave Donation Program is Citywide across all departments and is intended to provide an additional benefit. Nothing in this program is intended to change current policy and practice for use and/or accrual of vacation, general, or sick leave.

2. Definitions

Catastrophic Illness or Injury - A serious debilitating illness or injury, which incapacitates the employee or an employee's family member.

Family Member - For the purposes of this policy, the definition of family member is that defined in the Family Medical Leave Act (child, parent, spouse or domestic partner).

3. Eligible Leave

Accrued compensatory, vacation or general leave hours may be donated. The minimum donation an employee may make is two (2) hours and the maximum is forty (40) hours.

4. Eligibility

Permanent employees who accrue vacation or general leave may donate such hours to eligible recipients. Compensatory time accrued may also be donated. An eligible recipient is an employee who:

- Accrues vacation or general leave;
- Is not receiving disability benefits or Workers' Compensation payments; and
- Requests donated leave.

5. Transfer of Leave

The maximum donation credited to a recipient's leave account shall be the amount necessary to ensure continuation of the employee's regular salary during the employee's period of approved catastrophic leave. Donations will be voluntary, confidential and irrevocable. Hours donated will be converted into a dollar amount based on the hourly wage of the donor. The dollar amount will then be converted into accrued hours based on the recipient's hourly wage.

An employee needing leave will complete a Leave Donation Request Form and submit it to the Department Director for approval. The Department Director will forward the form to Human Resources for processing. Human Resources, working with the department, will send out the request for leave donations.

Employees wanting to make donations will submit an Authorization for Donation to the Human Resources Division (payroll).

NON-ASSOCIATED EMPLOYEES PAY AND BENEFITS RESOLUTION

All donation forms submitted to payroll will be date stamped and used in order received for each bi-weekly pay period. Multiple donations will be rotated in order to insure even use of time from donors. Any donation form submitted that is not needed will be returned to the donor.
